Applying P-Card Automations

PROCUREMENT AND FINANCE AGREE ON ONE THING: ACTUS

A robotic processing solution for P-Card Program Management providing paperless approvals, routing, policy compliance, and audit readiness.

WORKFORCE AUTOMATIONS DELIVER EFFORTLESS P-CARD ADMINISTRATION

Actus provides robust governance and assurance layers to any portal environment—allowing users freedom to shop anywhere. Simplified, structured data offers the ability to find products, compare prices, and track spending from a single tool. Our platform streamlines and automates burdensome oversight and audit processes while maintaining rich transactional records for ActiveAudit™ reporting.

Policy & Law

Enforced best practices, 3rd party neutral, Administrative oversight, Policy compliance

Automation

Custom approval workflows, Paperless processing, Role-based access controls
